

Joint SPE-PESA Mentoring Program (South Australia)

Call for Expressions of Interest for 2016

SPE SA Section and PESA SA/NT are initiating a Joint Mentoring Program to provide an opportunity for Young Professionals (YPs) to obtain local support in their career development from experienced professional members.

This inaugural program is designed to facilitate face-to face mentoring sessions to establish a more interpersonal partnership through which industry insights, knowledge and experience are shared to foster the professional and personal development of mentees.

The 2016 Joint Mentoring Program will be launched in June/July, in conjunction with a Young Petroleum Professionals (YPP) Event, and will conclude in November. Details of the launch and closing events will be provided in due course.

Throughout the duration of the program, mentees and mentors are expected to commit to a minimum of six sessions, informally arranged by individual participants.

The program is open to current SPE SA or PESA SA/NT members only. For this initial pilot program, the number of participants will be limited to 20 mentee/mentor pairs.

Please see overleaf to find out more on program eligibility, costs and how to apply...

Joint SPE-PESA Mentoring Program (South Australia)

Call for Expressions of Interest for 2016

► Who can be a Mentor?

Mentors should have 10 or more years of industry experience and be willing to commit to a 5-6 month program consisting of six mentoring sessions on a voluntary basis. Mentors must be a current professional member of either SPE SA or PESA SA/NT.

► Who can be a Mentee?

Mentees should have 1 to 10 years of industry experience, and be willing to commit to a 5-6 month program consisting of six mentoring sessions. Mentees must be a current professional member of either SPE SA or PESA SA/NT.

► How much does it cost to participate?

The program will cost \$50 per mentee, which covers entry to the Program Launch and Closing events.

The program will be free for accepted mentors, with entry to the Program Launch and Closing events subsidised by SPE SA and PESA SA/NT.

► Registration for Expressions of Interest

Complete the attached registration form and email to Matthew.Headland@santos.com by **COB Friday 13th May**.

Successful applicants will be notified by Tuesday 31st May, following determination of mentee/mentor pairs. Accepted mentees will be requested to pay the \$50 at that time, to confirm their place in the program.
