

# My Career in the Oil and Gas Industry

## Young Petroleum Professionals

Thursday 14<sup>th</sup> July

Wakefield Hotel, 76 Wakefield St Adelaide

6:00 pm for a 6:30 pm start

Cost: \$25 (\$15 for students)

No RSVP: \$30

**Bill Ovenden**

Vice President Exploration  
*Santos Ltd*

*Bill will be speaking about his very successful international career rising through the technical ranks as a geologist to his current position as Vice President. In particular, he will highlight the impacts of mentoring, with examples linked back to his career journey to date*

RSVP to [paul.weller@santos.com](mailto:paul.weller@santos.com) by **Wednesday 13<sup>th</sup> July**

*The YPP in SA is a non-profit committee that aims to support and assist the development of those in the petroleum industry with less than 10 years experience. It is a forum for Geoscientists, Engineers, Lawyers and Accountants involved in the petroleum industry to network and gain professional insight from industry leaders. If you or your company/committee is interested in sponsoring or being involved with the Young Petroleum Professionals in South Australia, please contact us.*
